

FLOWER SEEDS.

JOHN A. BRUCE & CO.,

Have much pleasure in inviting the attention of all lovers of Flowers to their very extensive and choice assortment of Flower seeds. In addition to their old established favorites. J. B. & Co., have this season added many new and rare kinds that have been recently introduced in Europe, thereby making their collections unsurpassed by any in the Canadas; and being extensive growers of Flower seeds, every dependence may be placed in them being fresh and true to name.

Choice Assortments of German and French Flower Seeds.

Especial attention is directed to the following Assortments of Seeds. They are from the most eminent Florists, and are mostly in the original sealed packets as imported. They will be found fully equal to former years:
