

THE DOMINION HAND SEED DRILL AND CULTIVATOR.

Price - - - - - \$10.00.

AS A SEED DRILL,

This Machine is offered to the public with the greatest confidence. It possesses special advantages for sowing Onions, Carrots, Beets, Turnips, Parsnip, &c. It is at once simple, light, easy to operate—sowing the most difficult seeds surely and evenly, marks its own rows, makes its own drill, drops and covers the seed. All slides, reeds and brushes are dispensed with, and therefore the machine is not liable to get out of order. Full directions for working are attached to each machine.

The Change from Seed Sower to Cultivator is readily made by removing the Hopper and Roller and putting on the Cultivator, which can be done in three minutes.

AS A CULTIVATOR,

Is very light and simple, and can be readily expanded and contracted to the required width.

The above Machine carefully packed and forwarded to any part of the country on receipt of \$10.00.
